EKF Shogo Seminar 2017

Dear national representatives

At the moment there are nearly 60 shogo in Europe. The last five years we successfully held European shogo seminars in Lillehall, Rome, Paris (twice) and Hamburg. The seminars were in form of a benkyokai - workshop. The topics included shooting technique, care-taking aspects and cultural background information.

To further strengthen the bonds between the European Shogo title holders, the EKF shidoiinkai encourages the member federations to attend another shogo seminar at the Kyudojo Wienerberg in Vienna in the autumn of this year.

It is therefore with great pleasure that we send you the invitation to the sixth EKF shogo seminar.

Attached please find the detail information on the shogo seminar, the application form and the summary sheet.

Please return by mail the summary sheet to the local organiser, Diethard Leopold (dietpold@gmail.com) with a copy to EKF Secretary General, Ringa Baltrusaite, (ringa@kyudo.lt).

We are looking forward to welcoming you in Vienna in October.

Kind regards

Gérald Zimmermann
